

Project Proposal: Smart Campus Notice Board

Team Nimbus · B.Sc. (Hons) Semester 5

Problem

Students miss important notices posted on physical boards.

Proposed solution

A cloud-hosted notice board: web app on EC2, files in S3, email alerts for new notices.

Cloud services

Amazon EC2 · Amazon S3 · IAM · CloudWatch

Timeline

Week 1-2: design · Week 3-5: build · Week 6: demo
